

SJ4 Rockin Newsletter!
~Rock-n-Roll Cures the Soul!!~
February 2007

Alright we had a little lapse in the newsletter, but things have been very busy on the SJ4 home front.

News, News, News! – Thanks to everyone who came out to our show at the Pennsville Septemberfest – we had a great time (even when we thought a speaker blew when the fireworks started....lol). Hopefully we can play at next year's festival.

We played the show with our new drummer Gregg Bormann who did nice job –We welcome Gregg aboard!

The end of the year brought new babies to Scott & Gregg, hunting season and the craziness of the holidays. So now it's 2007!!! And time to ROCK!

We opened the year at the Swedes Inn in Swedesboro, NJ (<http://www.swedesinn.com>) Great food and great people – we give a shout out to Mark for all the Swedes Inn hospitality. Thanks Again to all who made the show – check the website photo gallery to see if you made the highlights www.sj4classicrock.com . (If you guys have any photos you'd like to share, contact us from the website so we can upload them)

Next in our sights we have a Private Party at the Pennsville F.O.P. and a few deals in the works. We'll be sending out announcements as soon as we hammer some things out.

Well that's it for now from SJ4 headquarters!

Rock On!
